Carlmont Instrumental Music News

October brings the year's first Instrumental Music performances. On Oct. 6th, Carlmont's Jazz Ensemble will entertain at the **Save the Music Festival** at 11:30 on the *Community Stage* and, at 1:15 on the *Children's Area Stage*, the CHS Drum Line will perform and offer a percussion clinic.

Later in the month the Drum Line will again be showing off their school spirit, along with the CHS Concert Band, at our home varsity football game vs. Mills High School.

Instrumental Music parents have already been organizing, meeting, and planning to support these occasions and many others. Join them in supporting our musicians and attending these great events.
